About the Company

DAB Development Research & Training (DAB-DRT) is a private consultancy firm specializing in economic and social development. Founded in 2014, it offers services to public, private, and non-governmental organizations. DAB-DRT has an experienced team of researchers and associates led by seasoned professionals. Their mission is to provide top-notch consultancy services, research, and evaluations in diverse development areas.

Our Mission and Vision

Mission

Our mission is to provide top-tier Consultancy, Research, and Training services, with a primary emphasis on project studies and training initiatives. We are dedicated to serving a diverse array of clients, including the governments of Eastern and Southern African countries, as well as national and international organizations devoted to advancing the development of the region. Our distinctive commitment lies in addressing the unique, context-specific needs of our clients, ensuring tailor-made solutions that align seamlessly with their goals and aspirations.

Vision

Our vision is to establish ourselves as the premier and most esteemed professional service provider, celebrated for consistently delivering exceptional services that earn unwavering trust and recognition from our valued clients. Our overarching, long-term goal is to nurture a robust and globally recognized research and training institution, committed to upholding international standards and making significant contributions to the development of countries in the Eastern and Southern Africa region.
